Experience

SocialSense — June 2023 – May 2024
Graphics and UI/UX Designer Intern — *Remote - Singapore*

- As a UI/UX Designer implemented cutting-edge design principles and wireframing concepts to craft a visually stunning and intuitively navigable web application interface.
- Successfully translated complex requirements into user-friendly designs, enhancing overall user engagement and satisfaction.
- Designed visually compelling graphics that effectively communicated the company's brand identity, resulting in an enhanced professional image and increased engagement on digital platforms.
- Designed and published an optimized website using Framer.

Quickads — Feb 2024 – March 2024
Webflow Developer — *Remote - Singapore*

- Spearheaded the development and maintenance of dynamic and visually stunning websites using Webflow, ensuring seamless user experiences and responsive designs for optimal performance across various devices.
- Collaborated with cross-functional teams to translate design concepts into functional, high-impact web solutions, contributing to QuickAds' success in delivering engaging online experiences to clients.
